To whom it may concern:

I am very pleased to write this recommendation letter on behalf of Mr. Omar Aliyev. Omar was my student in "Managerial Statistics" in fall 2021. His hard work and impeccable records in this class earned him a well-deserved "A". I found Omar to be an engaging student. He was particularly very active in class discussions. Based on his performance in this class, I can see that he is going to finish his education very successfully.

Please do not hesitate to contact me if you have any question in this regard.

Sincerely,

Ehsan Elahi

Dear Sir,

I am gratified to recommend Omar Aliyev(Student ID : 01917481), who has been my student for Spring 2020 in IT114:Introduction To Java. It is during this time that I had the opportunity to estimate his theoretical and practical capabilities. I found him to be a sincere and hardworking student who is willing to put in a lot of effort and care into the task at hand. His dedication and devotion had really inspired me to ink the recommendation.
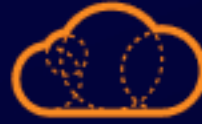

During my lectures, he was always inquisitive in learning new and latest happenings in the subject. I found him to be a hardworking and persevering student. He has always proved to be very sincere with good attitude and aptitude. The one special characteristic that distinguishes Omar from others is his inquisitiveness to know more about the subject. He is open-minded, very straightforward.

Without any reservation, I strongly recommend his for apply hiring job.

If you have any questions or require further information please do not hesitate to contact me.

Regards,

Olivia.
